

## Exhibitor Recognition Program

### TDEA Convention 2019

The Exhibitor Recognition Program involves donations to the organization for the support of convention needs in exchange for company recognition at various levels to the organization. Exhibitor Recognition Program Donations are those made in addition to Director Goody Bag items, Door Prizes under \$25, and Booth Giveaways. Participants in the Exhibitor Recognition Program will receive a designation on their company booth sign as well as their name listed at the entrance of the exhibit hall for members to read. In addition, each level of participation in the Exhibitor Recognition Program receives additional marketing options to bring more attention to the participating company.
