

Choreography Notation Assignment

Today, you will write out your choreography. You may work as a group, but each group member must turn in a separate notation in their own handwriting. Follow the directions below in notating your choreography.

A) Write out each 8 count of choreography using specific terms. Follow the structure below in writing your choreography:

8	step r (1) point l (2) cross l (3) point r (4) pas de bourree r (5&6) kick bc l (7&8)
8	Parts (1, 2, 3) drag to T, grab r arm up; hold count (4) ball change back (5-6) pivot front (7-8)

B) Highlight your adjective phrases that you have used in your choreography. These are the phrases you created before you started the project. They should describe your theme using movement.

C) Using a colored pen or pencil, write the way you have manipulated a phrase next to the 8 count where you have manipulated it.

Use the example below to complete your assignment:

8	step r (1) point l (2) cross l (3) point r (4) pas de bourree r (5&6) kick bc l (7&8)
<i>Repetition</i> 8	Parts (1, 2, 3) drag to T, grab r arm up; hold count (4) ball change back (5-6) pivot front (7-8)
