A. Uniform:

1. A regulation leotard, tights, belt, and scrunchie is purchased at the beginning of the school year. These items are the responsibility of the student.
2. If a student does not have their regulation dance uniform for class, they will be required to rent a P.E. regulation uniform for \$.50 per day. The suit must be returned the same day it is used. If a suit is lost, the student will be required to pay \$6.00.
3. The student is also required to purchase a lock for their dance locker which is provided for them in the dance area. This is not considered another locker for their books, but merely for their dance clothes and accessories.

B. Dress:

1. The student must dress out in a regulation gym suit each day. Uniforms may not be cut, torn or modified in any way. The student will be required to buy a replacement for any modified part of the uniform.
2. Shoe: black jazz shoes or bare feet. Socks will not be allowed.
3. Cover-ups or warm-ups will not be worn during class.
4. Undergarments should not show outside of dance uniform.

C. Participation:

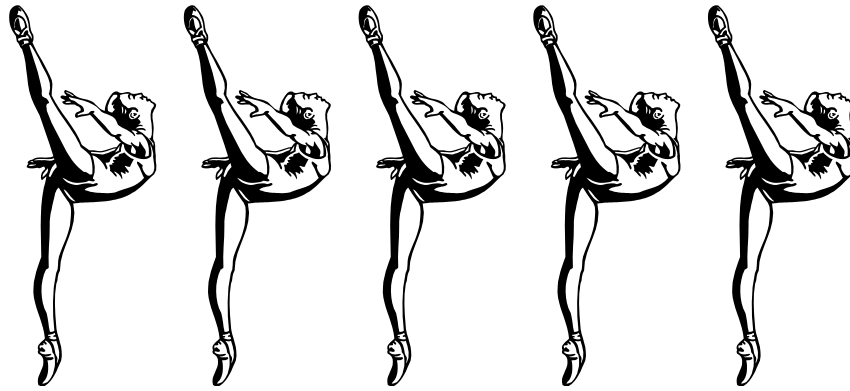

1. Each student will participate each day in the class activity.
2. Excused reasons for not participating:
 - a. An obvious reason such as a cast on a leg, etc.
 - b. A doctor's note stating how long a student is to be excused (including dates).
 - c. A note from a parent - good only for that day.

D. Grading:

Dress out/Participation - 50%
Quizzes/Tests - 50%

E. Point Deductions:

1. Not dressed out in correct attire - 10 points
2. Tardy to roll check - 1 point
3. If you choose not to dress out on a particular day, you will get 20 points off your participation grade for the week, and so on. The accumulation of 100 points a week is the participation grade.
